CWCF Strategic Plan 2022-2026

Engage and Strengthen Current Members

- Engage worker co-op members in a variety of ways: in-person, virtually, and at conferences
- Improve the Technical Assistance Program, including grants component
- Build up and strengthen leadership
- Recruit new members
- Grow the *Tenacity Works* Investment Fund
- Enhance management skills in worker co-ops
- Work more closely with the Quebec Worker Co-op Federations

Build Awareness and Scale Up Worker Co-ops

- Support worker co-op development
- Promote and demonstrate the value of the worker co-op model
- Offer and continually improve the worker co-op start-up training program, Worker Co-op Academy
- Develop a marketing strategy for co-op business succession
- Engage in federal and provincial lobbying on worker co-op interests

Build the Solidarity Economy

- Collaborate with solidarity economy organizations
- Increase racial justice in the worker co-op movement

Other CWCF Strategies and Activities

- Communicate our strategic plan
- Provide and promote other continuing member services:
 - Common Good Capital Registered Plan Program the RRSP's/ TFSA's,
 - Insurance programs offered by Co-operators
