Information for CWCF Website and Socials:

As a resource for our members, colleagues and supporters, we wish to maintain a comprehensive list of links to co-op development organizations, member co-ops in Canada, worker co-ops in the U.S. and relevant international organizations on our website.

As a member of CWCF, your co-op or organization will be listed on our website. Please respond to the following.

We do **not** want our co-op or group to be listed on the CWCF website.

A short description (2-5 lines) of our co-op's business or organization to be included on CWCF's website is:

We do not currently have a website and our contact information to publish instead on the CWCF website is:

Same as in our application above

The following:

Address:

Telephone:

Email:

Website:

Social Media (LinkedIn, Instagram, Facebook....):

We have a quality electronic file of our logo that we will forward for inclusion on the website along with our listing.

We have some electronic photos of our co-op location/members at work that we will forward for inclusion on the CWCF's website.
