November 18th – 20th, 2025
Edmonton, AB

CWCF Conference 2025

The Canadian Worker Co-op Federation (CWCF) is excited to host the **CWCF 2025 Conference: Worker Co-ops Build a Better World: Democracy, Diversity, and Justice**, an inspiring gathering of worker co-op members, developers, researchers, and community supporters. This year's conference will not only focus on strengthening the worker co-op movement but will also be a special occasion to celebrate the **International Year of Cooperatives (IYC)**, a global recognition of the impact and potential of the cooperative model.

As a sponsor, your organization will gain valuable exposure while demonstrating support for the worker co-op movement. Your contribution will help us build a strong, inclusive, and resilient economy through worker co-ops.
